Glossary of Terms

Annual benefit maximums: The most the plan will pay out over the coverage period.
Anthem Blue Cross PPO providers: Providers/facilities in the Anthem Blue Cross Prudent Buyer PPO network.
Coinsurance: The percentage of the maximum allowed amount that you are responsible for paying.
Copay: The set-dollar amount you are responsible for paying.
Fee schedule: The maximum amount Delta Dental will pay for services (sometimes called a plan allowance).
Separate benefit-year deductibles (annual deductible): The amount you pay before UC SHIP pays for services. Deductibles differ based on service provider.
Separate limits on your out-of-pocket costs: If your combined medical and prescription drug expenses reach this amount, UC SHIP will pay 100% of your covered expenses for the rest of the benefit year. This includes deductibles, coinsurance and copays. Limits differ based on service provider.

Students Come First — Always

UC SHIP is built specifically for UC students, with students actively involved in its design. Since inception, the guiding principle has been simple: Your health and health needs come first — always.

UC SHIP meets the requirements of the Affordable Care Act (ACA). UC SHIP remains focused on meeting student health needs and priorities, including mental health.

You're Automatically Enrolled

Because all UC students are required to have medical insurance, UC automatically enrolls all registered students — including domestic and international students, and students in absentia — in UC SHIP medical, pharmacy, dental and vision coverage. You will find the cost of coverage (premium) on your registration bill.

You can waive UC SHIP coverage if you already have a health plan that meets the university’s health coverage requirements. Go to uchestings.edu/about/admin-offices/health-services/insurance-benefits/insurance-waiver/index.php to learn how to waive enrollment in UC SHIP before the waiver deadline for your campus.

Note: You must reapply to waive coverage each academic year.

You Can Cover Your Spouse, Domestic Partner and Child(ren), Too

If you're enrolled in UC SHIP and are married and/or have children, you can enroll those eligible dependents in the same medical, pharmacy, dental and vision coverage you have for yourself. For information about who you can enroll in UC SHIP, go to myucship.org > Eligibility and Enrollment.

Note: You must reenroll dependents every term.

The UC SHIP Plans Meet Affordable Care Act (ACA) Requirements

UC SHIP is recognized by the Centers for Medicare & Medicaid Services (CMS) as minimum essential coverage (MEC) in compliance with the ACA. This means UC SHIP meets the ACA individual mandate.

UC SHIP is convenient to access through Carbon Health. Start there for covered primary and urgent medical care, mental health services, and referrals to specialists when needed.

When compared to preferred provider organization (PPO) plans, UC SHIP provides a broader physician network and lower deductibles and out-of-pocket maximums.

With UC SHIP, you can choose to see any provider with a referral from Carbon Health.
Getting Care

Your First Stop for Medical Care Is ALWAYS Carbon Health

For routine care, start at Carbon Health and access their on-site or virtual health services. This is the first stop for care that is covered by UC SHIP, except for emergency care in an emergency room, urgent care clinic visits, pediatric care, obstetrics services, gynecological care, vision care, dental care or LiveHealth Online virtual visits.

Carbon Health is an outpatient health center offering a range of health services — from primary care to routine checkups, mental health and substance use disorder services, and general care for unexpected issues, like sore throats or swollen ankles.

You will be cared for by a team of experts in young adult health — board-certified doctors, certified nurse practitioners and physician assistants.

You MUST Get a Referral for Medical Care Outside Carbon Health

If needed, Carbon Health will refer you to, and coordinate, additional or specialist care outside Carbon Health. During the plan year, you'll need a referral for care outside Carbon Health, no matter how far from the campus you receive that care. Without it, UC SHIP will not provide any benefits.

To get a referral, meet with a Carbon Health provider. Your referral gives you options for off-campus care, including:

- UC medical centers. Any of the five nationally ranked medical centers (at Davis, Irvine, Los Angeles, San Diego and San Francisco) or a UC-affiliated facility, doctor or other health care provider. (Be sure to get a referral before making an appointment.) Care within the UC Family is discounted for students, there are no deductibles to meet, and the plan pays a bigger portion of care.

- Anthem Blue Cross Prudent Buyer PPO network doctors and other providers and facilities.

A nationwide network of more than 50,000 physicians and 400 hospitals. You'll first pay a deductible (see the Medical Coverage chart), then UC SHIP will pay most of the cost, and you'll pay the rest through a copay or coinsurance (the amount you're responsible for after UC SHIP pays its share). If you are referred for services outside Carbon Health, ask for provider recommendations.

You're Covered Around the World

Whether studying, traveling or living outside the country, you and your dependents covered under UC SHIP can get care through the Blue Cross Blue Shield Global Core program. Learn more at bcbsglobalcore.com.

Referrals Are Required

You must get a Carbon Health referral for care outside Carbon Health, regardless of the distance from campus, except for the following: emergency room care and visits to urgent care clinics, pediatric care, obstetrics services, gynecological care, vision care, dental care and LiveHealth Online virtual visits.

If you need to see a specialist, be sure to get a referral from a Carbon Health provider for a specialist in the Anthem Blue Cross Prudent Buyer PPO network.

Note: You will be responsible for paying a deductible and part of the cost through a copay or coinsurance (the amount you’re responsible for after UC SHIP pays its share).

Medical Coverage

To be covered by UC SHIP, all care must start with Carbon Health. The chart below highlights what UC SHIP covers and how much you pay for services. For certain services, you will pay a deductible for care you receive outside Carbon Health, UC doctors or facilities. After you meet the deductible, the plan will pay a portion of the cost. Certain expenses and services are excluded from medical coverage.

Non-emergency care outside Carbon Health requires a written referral from a Carbon Health provider. See Getting Care for exceptions.

UC Family Providers include Carbon Health; UCI Medical Center; and any other UC medical centers and their affiliated facilities and professional providers.
